**The Tragedy of the Batch Render.
He was just Image #3.**

A detailed comic book style illustration of a man's face, looking directly at the viewer with a serious expression. He has dark hair, a nose ring, and a goatee. Thick, orange-yellow smoke is billowing from his mouth, partially obscuring the lower part of his face. The background is dark and textured, suggesting an indoor setting with wood paneling.

**Admitting the frame
makes the picture real.**
